### IMMEDIATE RELEASE

May 18, 2022

### Practical Coach Education Program Temporarily Suspended

The US Virgin Islands Soccer Association's (USVISA) Technical Department announces that the USVISA Practical Coaching session, scheduled May 16-18, 2022, is suspended until further notice. A revamped Practical Coach Education program is in the works.

At USVISA and Concacaf, Coach Education is a fundamental pillar in the development of the game. At the end of April 2022, members of the USVISA Secretariat attended one of nine CONCACAF Coaching Convention being held throughout the region. The three-day workshop served to establish minimum standards regarding coaching education and improve the quality of coaching in the region. At this convention it was concluded USVISA shall reorganize its coaching education calendar and processes. Further, Concacaf is using the events to ensure that all forty-one members of the Confederation understand that they have the full support of the Federation. Thank you for your patience as we prepare to better grow the game.
